

THE LITTLE UNICORN ON HONEYSUCKLE

June Monthly Newsletter

Kelly Mini Sports Clinic

Coach Fiona from Kelly Mini Sports visited us earlier this month. The children loved engaging in fun and interactive activities and learnt some fundamental basketball skills. We will be continuing to extend on exploring gross motor development throughout our Educational Program.

Saving Water

The Gumnuts children participated in a water saving presentation this month. The fun, interactive show educated the children about the importance of saving water and the simple steps which they can take to care for our environment.

The Gumnuts' New Library

To extend on their recent excursion to Newcastle Library, the Gumnuts have created their very own library! We would like to thank all of the wonderful families who have donated books- the children have loved using the library system to loan the books and read them at home.

Mother's Day Morning Tea

We would like to thank all of the wonderful women who came along to our Mother's Day Morning Tea. The children were so excited to see you all there to enjoy a delicious morning tea, meet other members of our community and share a few laughs.
