

# GEOFF BILLINGHAM

Operations Manager | Video Editor | Motion Graphics

I craft compelling stories and build efficient systems that empower creative teams to thrive. With a foundation in video editing and a passion for operational excellence, I bridge the gap between storytelling and strategy to deliver work that's seamless, impactful, and audience-focused. I value collaboration, champion innovation, and adapt quickly to evolving challenges. I am always striving to bring out the best in people and processes.

## Experience

### 2024 - Present

We Make Online Videos (WeMOV)

#### Operations Manager/Senior Video Editor/Motion Designer

- Overseeing workflows from sales to delivery
- Edited and created motion graphics for high-end projects including TVC's and high-budget brand stories
- Managed team resourcing, project timelines, and internal communications
- Ran the Swintern internship program and created the internal newsletter
- Drew on 10+ years of editing experience to align processes with creative needs

### 2018 - 2024

We Make Online Videos (WeMOV)

#### Senior Video Editor

- Edited a wide range of video content across corporate, government, and creative sectors
- Helped build and mentor the post-production team, guiding junior editors to excellence
- Streamlined workflows to improve speed and consistency
- Collaborated closely with producers and clients to craft compelling narratives
- Played a key role in shaping WeMOV's creative standards and delivery quality

### 2016 - 2018

Nutmeg Productions | Farringdon, London

#### Head of Post-Production

- Led the post-production department, overseeing editors and managing project delivery
- Edited branded content, corporate videos, and social campaigns for UK-based clients
- Streamlined post workflows and introduced systems to improve turnaround times
- Balanced hands-on editing with team leadership and client-facing responsibilities
- Helped maintain creative standards and ensured all content met broadcast-quality specs

### 2016 - 2018

Buzzfeed | Soho, London

#### Video Editor

- Edited branded video content for BuzzFeed UK's social platforms, including Proper Tasty
- Created short-form, high-engagement recipe videos viewed by millions worldwide
- Worked to tight turnarounds while maintaining strong visual storytelling and brand tone
- Collaborated with producers and clients to deliver sponsored content across campaigns
