

LANCEFIELD PRIMARY SCHOOL

2021 Parent Payment Charges

Year 5

Lancefield Primary School makes every effort to keep the cost of School Payments to a minimum. The school appreciates that families may sometimes experience financial difficulties in meeting payment requests. To assist families we have various payment options available. If you would like to use a payment plan please complete the form on the back page and return to the office.

Additional school charges may arise during the year. For example: Camps, Excursion, Sporting Activities. These charges will be approved by School Council with notification of costs given to families as soon as possible. An estimate for 2021 is provided.

Parents and guardians have the option of purchasing the complete list of equivalent materials in the stationery pack from other sources. If parents and guardians choose to provide equivalent materials, this should be done in consultation with the school, as items should meet the specifications provided by the school. Please note the stationery pack cannot be modified.

2021 Parent Payment Charges – Payment Plan

To assist families with the costs of essential student learning items parent payments can be made in smaller, regular instalments. If payments were to be made in fortnightly instalments over the year the cost would be approximately \$27 per fortnight to cover parent payment charges and activities together.

Please note if you are entitled to CSEF then the estimated costs for activities will be reduced by \$125. Fortnightly payments of \$22 would cover parent payment and activity charges.

If your child does not attend an activity your account will be credited. A statement will be sent home each term to keep you up to date with the balance owing or credit balance on your account.
