THE OPPORTUNITY

Your name on the building. Your rules inside it.

Standalone office buildings under 10,000 SF rarely come up for lease. 180 N Westmonte is one – two stories, ±7,488 SF, and all of it yours.

The first floor opens into two large training rooms with built-in cabinetry and counters, a foyer and two restrooms. Upstairs, ten private offices ring an open work area with a full kitchen and two more restrooms.

There is no shared lobby, no landlord schedule and no neighbor's sign above yours. The building sits on a quiet, tree-lined street off SR 436, with I-4, Uptown Altamonte and a cluster of hotels a few minutes away.

HIGHLIGHTS

- Full-building lease – ±7,488 SF over two floors
- Two open training rooms on the first floor
- Ten private offices, open area and kitchen upstairs
- Building and monument signage
- Dedicated on-site parking at 5.01/1,000 SF
- Existing build-out – move in with minimal downtime
- Zoned GO for professional and medical office users

HIGHEST & BEST USE

Train downstairs. Run the business upstairs.

Two open rooms on the ground floor and ten enclosed offices above is a split most office buildings can't offer – room to teach, treat or gather, with management close by.

180 WESTMONTE

Corporate training & regional office

Classrooms on the first floor, leadership and support staff upstairs, and four hotels within a few minutes for out-of-town attendees.

BEST FIT: 15-40 PEOPLE

Therapy or medical practice

Open, tile-floored rooms downstairs for a therapy gym or group sessions; consult rooms, billing and admin in the offices above.

BEST FIT: PT, CHIROPRACTIC, BEHAVIORAL HEALTH

Professional services headquarters

Ten private offices and an open bullpen for staff, with the ground floor for client meetings, events, files or future growth.

BEST FIT: LEGAL, CPA, ENGINEERING, 12-25 PEOPLE

School, testing or workforce center

Two classrooms with counters and storage, a separate entry foyer and an upstairs administration floor.

BEST FIT: CAREER SCHOOLS, TESTING, CERTIFICATION

How the building works

Visitors enter the first-floor foyer, between the two training rooms and the restrooms. The stair takes staff up to the office floor, where ten offices line the perimeter around an open area and the kitchen.

Room to change

The training rooms are open spans with tile floors and an exposed ceiling, easy to divide into exam rooms, labs or a bullpen if your use needs it.
